## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 2 and 5-20 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record all failed to show either alone and/or in combination, a soil retention element engaged in the bottom of a plant container, the retention element further having a vertical element attached to an engagement element located above the upper layer of soil, as cited, thus retaining the soil in the container.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
